TOM DIAMOND

ABOUT the Driver

Tom Diamond has over 10 years driving experience, and has been a professional driver with AoK Trucking since July 2015.

Tom is described to be the most helpful employee AoK has ever had. He does his job extremely well and he cares about the company. He checks in on his days off and helps with maintenance reports, checks for the best fuel prices and offers to haul loads that other drivers don't want. Tom also trains younger drivers, and stay available to them when they're on their own. He does everything in his power to help out anyway he can.

ABOUT the Company

AoK Trucking Inc.

AoK Trucking Inc., based in Woodstock NB, was established in 2011 by Jeff MacMullin. More than 20 years ago, Jeff stepped into the driver's seat of a tractor trailer and took off with his first load. He had a vision that day; and that was to own his own transportation company.

Forming long lasting relationships with drivers is imperative to them. They respected & recognize drivers as the 'backbone' of their business. AoK's pledge to drivers is to build a company and team that drivers will be proud to work for. For over five years, AoK has safely served their drivers and customers. Their business is based on the ability to keep their commitments, as they take these commitments very seriously.
